Sgt Ramos – it has been such a pleasure working with you! From the first time I met you (I think in our office last year when we did some problem solving around issues on Vine Street) I was so impressed by your commitment to this neighborhood, your penchant for proactivity, and your commitment to follow up – to see if the outcomes had been achieved.

Though you are leaving Hollywood – the city is better for having leaders like you in LAPD who can take these qualities where they are needed. I trust we will see you again as you grow in the Department. Know you have good friends in Hollywood who stand ready to help in any way.

Happy Thanksgiving!
 Kerry

ALL:

First of all, I wanted to thank/praise all of you for the great partnership and commitment that you demonstrate daily to make Hollywood Area a safer place to live, work and visit.

Next week, Saturday, November 28, 2015 will be my last day assigned to Hollywood Area. Last month, I participated and was selected to work LAPD-Metropolitan Division as a Sergeant-Squad Leader assigned to B Platoon in Operation Central Bureau. Although, this position will be a good opportunity for me, I will miss our great team and much success in the Hollywood Entertainment District (HED).

Captain Zarcone is extremely committed to all of you and the people that he leads with great vision, for which

Oz,

I can't say enough about how great it has been to work with you, and how much Hollywood has benefited from your service. I truly appreciate all your hard work and partnership with me, the Councilmember and our office.

We will miss you in Hollywood, but Metropolitan Division is very lucky to have you! Please keep in touch.
